

## Gets Your Stomach Under Perfect Control

Instant Relief for Indigestion and Stomach Troubles, May be Relieved Upon by Stuart's Dyspepsia Tablets.

There is no occasion to suffer from indigestion or any similar stomach trouble when you can so easily get Stuart's Dyspepsia Tablets.

There is scarcely a well stocked drug or general store in the United States but what considers these tablets part of their staple stock.

You Can Travel Anywhere and Eat Anything They Serve if You Have Stuart's Dyspepsia Tablets With You.

Millions are used every year—and when every other man or woman you meet recommends them to you if you will but inquire—why do you continue to suffer from stomach trouble?

The reason why Stuart's Dyspepsia Tablets are such a widely used remedy are very easy to understand. These tablets contain almost the same elements as the gastric juices of the stomach. And when your stomach is sick and not working just right, it does not give out enough of the natural digestive juices to properly take care of the food you eat. So if you will only give the stomach a little help by taking a Stuart's Dyspepsia Tablet after meals you will relieve the stomach of its chief duty and allow it the rest it needs to recuperate. One grain of the active principle in a Stuart's Dyspepsia Tablet digests 3,000 grains of food, whether you place it in a glass jar with cooked food or in your stomach after you have eaten the food.

All druggists sell Stuart's Dyspepsia Tablets, and once you try them you will never again wonder what to do for a disordered, weak, sour and gassy stomach. 50 cents a box—Advertisement.

### MORE INDICTMENTS AGAINST VICE CLIQUE

Portland, Ore., November 28.—The grand jury which has been investigating the operations of an alleged vice clique among men in this city concluded its labors to-day, returning two additional indictments. The grand

jury investigated reports that the Young Men's Christian Association was involved in the scandal, and in that connection returned the following: "We find, after exhaustive investigation into the alleged Young Men's Christian Association scandal, complete exonerations of the officers and management, and no reason for a shadow of suspicion to be cast upon its members."

### SALE AT INGERSOLL HOME.

Many Articles Belonging to Agnostic Will Go at Auction. New York, November 30.—A quaint little private theatre on the top floor

of a house on Madison Avenue, once the home of Robert G. Ingersoll, and now the property of Arthur P. Helme, the copper millionaire, will be the scene next week of an auction sale, at which all the contents of the house will be offered to bidders.

December 10 the house itself will be sold at auction in the real estate exchange. Included in the furnishings to be sold are many things which belonged to the possession of Mr. Helme when he bought the house from the Ingersoll estate.

The room where the auction is to be held was built by Mr. Ingersoll as an auditorium, and in it he delivered many of his lectures.

## PREPARE TO HOUSE ARMY OF VETERANS

Washington, November 29.—The War Department is making plans to care for the feeding and shelter of the army of veterans, Confederate as well as Federal, who are to attend the centennial of the Grand Army of the Republic on the battlefield of Gettysburg next July, when the fiftieth anniversary of the great battle will be celebrated. Orders to-day assigned Captain Harry F. Dalton, quartermaster, corps, as assistant to Major Normandy, the quartermaster here, who is charged with the military arrangements. It is reported that the 40,000 veterans must be placed under canvas and fed next July, so that a great deal of work must be done to prepare quarters and get proper water supply.

Post-office inspectors have been busy since the loss was discovered, but no details of the occurrence are available from that source. Last Tuesday night the mail clerk of the Nashville, Chattanooga and Louisville threw the bag off his train at Atlanta. Wednesday morning the porter at the union station claims to have put the bag on the Southern. The Southern mail clerk claims to have thrown off the registered bag with four other bags of mail at Gadsden, but the local post-office only received the four bags of sundry mail.

The man and woman were schoolmates, and neither had met after their marriages until last July, when Mrs. Nelson abandoned a child to accompany Briggs by threats of force, it is claimed, by the government.

[Special to The Times-Dispatch.] Atlanta, Ga., November 29.—Moise De Leon, the Atlanta contractor who disappeared August 1 from Chicago and for whom a vigorous search was instituted until word was received from him at Sydney, Australia, has returned to this city. Mr. De Leon has refused to make a statement. His wife de-

clares that her husband knows nothing in regard to the period intervening between the time he disappeared from Chicago and came to himself in Australia. His theory is that he was struck on the head and robbed in the Illinois city.

Mrs. De Leon asserted that her husband will have a surgical operation performed on his head in an effort to solve the mystery.

"Votes for women means neglect of the home," she added. "It means the encouragement of race suicide."
